Newsletter

20th March 2026

Dear Parents/Carers,

I hope you have had a good week.

This week, the children have been working hard to complete their end-of-spring assessments. We have been incredibly impressed by their attitude and commitment to their learning and would like to thank families for their ongoing support with home learning (Atom, Ed Shed, Athletics and TTRS).

Next week will be a busy one, with both the Easter Bonnet Parade and the diorama competition taking place.

Eid Mubarak to all families celebrating Eid. Please remember that children may wear their Eid clothes on Monday or something to support Red Nose Day. Please ensure that your child wears appropriate footwear.

Wishing you all a lovely weekend.

RIGHTS RESPECTING SCHOOLS
UNICEF

At Heath Mount Primary School, we promote children's rights in all areas of our curriculum. We want to ensure that ALL children understand their rights so that they are healthy, happy and safe.

Look at the articles below and talk about what they mean.

UNICEF Rights Respecting Schools Article 24 - Health, water and food

"Every child has the right to the best possible health. Governments must provide good quality health care, clean water, nutritious food, and a clean environment and education on health and well-being so that children can stay healthy. Richer countries must help poorer countries achieve this."

UNICEF Rights Respecting Schools Article 27 - Food, clothing, a safe home

"Every child has the right to a standard of living that is good enough to meet their physical and social needs and support their development. Governments must help families who cannot afford to provide this."

Exploring Article 24 & 27 - Why do you think that the right to clean water is such an important right?

Did you think of these?

- Our bodies are made up of over 60% water and we need clean water to keep them working properly and to stay alive.
- Drinking dirty, unsafe water can cause serious illnesses.
- In some communities, children miss out on their education because they must spend time collecting water.
- We need water for washing ourselves and for keeping our clothes and homes clean.
- A good water supply is important for good sanitation and flushing our toilets.
- Not having access to clean water makes it harder to be healthy and have a decent standard of living.
- Water and wetlands provide important habitats for plants and animals.
- Pollution of our oceans, rivers and waterways can have a serious impact on all living things.
- Water is important to generate power in some places and it is a better for the environment than burning fossil fuels.

The Children's Advice and Support Service (CASS) provides a single point of contact for professionals and members of the public who want to seek support or raise concerns about a child.

We want to keep all children and young people in Birmingham safe from harm. If you are concerned about a child please contact us. We will listen, assess your concerns, and can take action if a child is at risk.

Cruelty to children must stop. FULL STOP.

If you have any concerns at all about a child's safety or wellbeing, don't hesitate to contact us

It doesn't have to be an emergency — you might be looking for guidance and support on issues affecting children. Whatever it is you're worried about, our dedicated child protection specialists will be able to advise and take any necessary action.

Whatever your worry — call us on **0300 800 5000**, email help@nspcc.org.uk, or [submit our online form](https://www.nspcc.org.uk/what-we-do/our-services/child-protection) — we can help. We also have advice about [supporting the parent of abuse](https://www.nspcc.org.uk/what-we-do/our-services/child-protection).

Due to an increase in demand across our service, our voice Helpline is currently operating between the hours of 10am-4pm on Monday to Friday. However, you can email help@nspcc.org.uk at any time. It's free and you don't have to say who you are. If you think a child is in immediate danger, please call the police on **999** straight away.
